

# GEARs January 2025 Rides

GEARs (Greater Eugene Area Riders) invites all cyclists to join in riding together through some beautiful Oregon terrain. We require that all participants wear a bike helmet and bring a bike in safe riding condition. A frame tire pump, tube/patch kit, basic tools, full water bottle and appropriate clothing are strongly encouraged. Ride leaders will help to ensure that you have a safe and pleasant experience. If you have questions about a scheduled ride, feel free to contact the ride leader or Ride Coordinator Bob Lewis at 502-229-4809 or bob@eugenegears.org.

## Ride Speed Levels

GEARs bases its ride levels on *average speed*. On a given ride there will occasionally be times (downhill sections or flat areas with tailwinds) where riders exceed the stated ride speed level. Conversely, there will be times when riders pedal slower than the advertised pace (i.e. going uphill or into a headwind). **GEARs defines its speed categories as the pace a cyclist can pedal by herself/himself on a flat road sustained for 20-30 minutes alone.** For example, if you can ride at a 14-16 mph pace on a flat road, sustained for 20-30 minutes by yourself, then you should be able to comfortably ride in a GEARs 13-15 mph group ride.

**If you decide to drop out of a ride along the way, please let the ride leader know so we don't come looking for you.**

The **16+ mph** rides are fast paced with occasional pace lines and fewer stops. The ride leader will announce where regrouping will take place and will try to keep the group together when possible.

The **13-15 mph** rides are medium paced and regroups often. The ride may get stretched out, but will regroup at turns and at the top of climbs.

The **10-12 mph** rides are slower paced, the group tends to stay together and takes the time look at the scenery.

Gravel / Mixed Surfaces

The Ride Schedule is also available for download at the GEARs website: [www.eugenegears.org](http://www.eugenegears.org). Most of the rides listed above now have cue sheets and links to maps on our website, [www.eugenegears.org/rides/ridelist](http://www.eugenegears.org/rides/ridelist).

Our ride schedule will be posted monthly with sign up posted approximately 7 days before the scheduled ride. Sign ups close 90 minutes before the scheduled start of the ride. You must sign up for your chosen ride online through SignUpGenius. No one is allowed to join the ride without signing online and if you decide to cancel your plan to ride, please remove your sign up so that a slot may be opened for another rider. SignUpGenius is free to use and gives us the ability to track riders without physical contact. To sign up for a GEARs ride click on the Sign Up Genius logo in the schedule at the bottom of the Ride Schedules page of our website and you will be

#### Terrain Key:

**A:** Flat with gently rolling terrain.

**B:** Rolling Terrain with a few short, steep climbs.

**C:** Moderate rolling terrain with steeper, longer climbs.

**D:** Demanding terrain with frequent steep and / or sustained climbs.

**Note:** You should be an experienced cyclist to participate and enjoy C and D rides, or rides over 50 miles.

#### Food Key:

FS - Food store on route

FR - Restaurant stop

BF - Bring food
